Patient Acknowledgement of Receipt of Dental Materials Fact Sheet

- My dentist has given me a copy of the Dental Board of California's Dental Material Fact Sheet.
- My dentist has explained the reasons for recommending a specific type of dental restoration material.
- If I am pregnant, a diabetic, or a child (or guardian of a child patient), I have discussed the pros and cons of amalgam restoration with my dentist.
- If I have had unusually sensitive reactions to other materials in the past, I have discussed this sensitivity with my dentist prior to restoration work.
- I have had a chance to ask any questions I may have, and have received satisfactory answers to those questions.
